SUPPLEMENT TO  
REPORT NO.

1. Weapons are smuggled out of Yugoslavia to Austria along the following routes:
- Ljubljana-Jesenice-Rosenbach (Carinthia). Weapons are usually hidden in the coal in locomotive tenders and are thrown out on the stretch between Rosenbach and Bruck.
  - St. Paul in the Lavant valley (Styria). The weapons are smuggled over the Drau and hidden in the woods near St. Paul, whence they are transported to the inner provinces by Slovene Austrian Communists.
  - From Jesenice to Freisnach (sic), which lies at one of the narrowest points of the Drau. The weapons are transported across the Drau in boats.
  - Over the Keutschacher Lake (Carinthia), south of the Wörther Lake.

This document is hereby regulated to  
CONFIDENTIAL in accordance with the  
letter of 13 October 1978 from the  
Director of Central Intelligence to the  
Archivist of the United States.
